

healthy skin, body & mind

At reflections we are dedicated to the health of your skin, body and mind. We promote wellbeing, relaxation, self-care and togetherness. Whether you chose to visit alone, with a partner, your friends or family, we will tailor your experience to be just that, YOUR experience!

With single and double treatment rooms, all treatments can be experienced on your own or alongside a loved one. With ample indoor and outdoor relaxation spaces and a quiet surrounding of pure nature, we welcome extended stays before or after your treatment so you can truly unwind and savour the moment.

Through our treatments and products, we strive to promise a sensory journey, a transition from one state to another as a haven for physical and emotional replenishment.
